4 LABELING

NED TIP:

Use shipping tape to secure boxes tightly as shown.

All for KIDZ will generate your return-shipping label after your email request is received. Tape up to 3 same size boxes together as one unit to make the fewest possible shipping units (or compile into a larger box).

Print and apply one **UPS Return Service Label (RS)** to each bundle.

Print **Commercial Invoices**. Fold all 3 copies in half with the printed side out and insert into the UPS International Shipping Documentation pouch found in your Post-Show folder.

Remove the peel-off backing and apply the pouch next to a UPS Return Label on one of your bundles. You will only need one pouch for your entire return shipment.

5 SHIPPING

When Customer Care generates your return labels, we will also schedule a UPS pick-up for you. Your pick-up will be scheduled within one week of your request. If you are going on holiday or there is a school closure, please advise us of the dates so we can schedule accordingly.

Your return-shipping labels and UPS pick-up date will be emailed to you.
