

NED'S mindset MISSION™

CHARACTER EDUCATION ASSEMBLY COMING TO OUR SCHOOL

Dear Teachers & Staff,

A world class performer will take our students on a 45-minute journey filled with storytelling, illusions, yo tricks and humor. The assembly introduces the character NED who is on a very important mission to find his mindset. Our students will be inspired by how NED faces unexpected challenges with a growth mindset.

Our school chose to
Pay-It-Forward

Our school is having NED's Mindset Mission at no cost. Other schools have run Pay-It-Forward sales making it possible for us to have the assembly and all the free resources. Now it's our turn to pay-it-forward. Our school's effort to sell NED-messaged items makes it possible for NED to visit more children.
